About Omakase

Omakase is a Japanese dining style where you leave your drink in the hands of the bartender. The word comes from Japan and means “I’ll leave it up to you.”

Instead of ordering from a fixed menu, you tell the bartender your preferences like flavors, mood, or spirit and they craft a personalized series of drinks just for you.

Note: Most of our cocktails are crafted using fresh juices and house-made infusions. We use seasonal ingredients and natural flavours—no artificial syrups. Availability may vary based on freshness.
